This Term...

Since September, the Moira Friendship Group has been keeping busy with a range of activities and events. We kicked off the season with our Open Morning, which was a great success and a lovely way to welcome new faces and reconnect with old friends. Throughout October, we celebrated Positive Ageing Month, taking part in special activities that encouraged well-being, connection, and fun. It's been a wonderful few months full of energy, laughter, and friendship – and there's plenty more to look forward to as we move ahead!

Dear Members

We wanted to update you all on a important matter that has been brought to our attention. In recent weeks, several of your members have unfortunately fallen and injured themselves on Moira Main Street.

These incidents have caused understandable concern within our group, especially regarding the safety and condition of the pavements and crossing in the area.

As a result, MFG has written to all local councillors and MLAs to highlight these concerns and to request an urgent assessment.

We are pleased to inform you that some of your local representatives have acknowledged the issue and are calling for action.

In the meantime, MFG would urge all members to take extra care when walking in Moira Main Street.
